'Y. W.' CLASSES AND CLUBS MAKE BUSY BUILDING

New Organizations Are Progressing Fast and Meeting Various Needs

The organization of nine new classes for the second term of the educational year, and the organization of six new clubs coincident with the opening of the new building of the Young Women's Christian Association has made the rooms set apart for the use of the educational and extension department a busy scene this week.

Classes in stenography, millinery, English for foreign women, Spanish and singing have already been organized, and classes in typewriting and cooking will be organized this evening. Arrangements have also been made for classes in business English and sewing if there is sufficient demand for such work on the part of the membership.

The new clubs include a club for business girls, a club for high school girls, a club for students living at the Kaula Home, a club for Hawaiian girls and a club for English-speaking Japanese girls. The Lei Mamo Club organized about four years ago by Miss Nora Sturgeon, is also being affiliated with the association.

The High School Girls' Club and the Kaula Club were organized, and the Lei Mamo Club was affiliated as an extension club yesterday afternoon. The plans for both the former clubs, composed entirely of school girls, include about 40 minutes each week in the gymnasium and about 40 minutes more for business, social and literary meetings as well as some sunshine work. The Lei Mamo Club, on the other hand, composed of girls employed for the most part in indoor work, will hold only a part of their meetings at the association building—in the cooking class room and in the club room, according to the wish of the club, and the remainder in tramps, swimming and other outdoor pastimes. The association's scheme for club work is sufficiently elastic to meet the needs of all the varieties of girls living in this cosmopolitan city.

A preliminary canvass of the Hawaiian girls interested in the organization of the Hawaiian girls' club would seem to indicate that this club will probably divide its time between singing and athletic games, and that the Japanese girls' club will probably devote its time mainly to literary pursuits. Since, however, all clubs are self-governed the program of activities cannot be definitely announced until the clubs have been organized. All Hawaiian girls are invited to attend the meeting tonight, when the club for girls of this nationality will be organized, and all Japanese girls the meeting next Tuesday night, when the club for girls of that nationality will be organized.

OUTDOOR CIRCLE TO HOLD BIG LUNCHEON AT YOUNG TOMORROW

Owing to the fact that so large a number of women have signified their intention of attending the annual luncheon of the Outdoor Circle tomorrow, the upstairs dining-room of the Young hotel has been chosen for the event instead of the Country Club. PAYS \$50 FINE FOR TAKING FACE POWDER

For stealing face powder from Mrs. Annie Silva, Nagatsu, a Japanese, was fined \$50 and costs by Judge Monsarrat in the police court. Through his attorney, W. T. Rawlins, Nagatsu took an appeal.

It was alleged that Nagatsu took not only the face powder from Mrs. Silva, who resides in the Iwilei district, but that he also took a watch, a koo bowl and other trinkets. The court thought only one offense was proved, that of taking the face powder.

TWO NEW CLUBS ARE FORMED BY MEMBERS OF HONOLULU "Y. W."

Thirty-five high school students met at the Y. M. C. A. yesterday afternoon and perfected the organization of a club under plans laid down for them by Miss Annette Dieckmann, extension secretary. Miss Theima Wieke, Miss Esther Kahn and Miss Violet Chun Hoon were appointed a committee to nominate officers to be elected at the next meeting.

Another club was organized yesterday, this being composed of 15 girls living at the Kaula Home. Mrs. G. H. Tuttle will be leader of the club. The Lei Mamo Club, of which Miss Nora Sturgeon is leader, has affiliated with the Y. W. C. A., and it is expected that a club for Hawaiian girls over 16 years of age will be organized this evening. Plans for the organization of other clubs now are being considered.

LITTLE FRANCISCA WAS CHARMED WITH BUTTONS ON COATS OF OFFICERS

She said her name was "Francisca," and she lived with "Mom," and she seemed to like the buttons on the policemen's coats and to think jail a lovely place, indeed. But she

was glad at that when her parents came and took her away after she had been held by the police for several hours Wednesday afternoon.

Her name really was Francisca Chanera, and she was found alone at King and Alakea street Tuesday shortly after 3 o'clock. As she was only a little more than two years of age and seemed to have no destination and no aim in life, she was taken to headquarters and her parents found and notified. The parents, whose residence was not ascertained by police, were much relieved when they found the little girl again.
